

Observe Insurance — Health Insurance Plan Tiers

Bronze Plan

Most affordable option for basic catastrophic coverage. Deductible: \$5,000 individual / \$10,000 family. Monthly premium from \$180. Out-of-pocket max: \$9,000. Covers essential health benefits with higher cost-sharing.

Silver Plan

Entry-level tier with balanced coverage. Deductible: \$3,000 individual / \$6,000 family. Monthly premium from \$250. Out-of-pocket max: \$7,500. Good for individuals wanting basic coverage at an affordable price.

Gold Plan

Comprehensive coverage with moderate deductibles. Deductible: \$1,500 individual / \$3,000 family. Monthly premium from \$400. Out-of-pocket max: \$5,000. Our most popular plan for families. Includes expanded specialist and mental health access.

Diamond Plan

Premium coverage with low deductibles. Deductible: \$500 individual / \$1,000 family. Monthly premium from \$600. Out-of-pocket max: \$3,000. Includes dental, vision, and chiropractic care.

Platinum Plan

Top-tier offering with the lowest out-of-pocket costs. Deductible: \$0. Monthly premium from \$900. Out-of-pocket max: \$1,500. Includes concierge health services, international coverage, and wellness programs.

Choosing Your Plan

Consider your typical healthcare usage, budget, and preferred providers. Bronze suits healthy individuals wanting catastrophic protection. Gold and Diamond offer the best balance for families. Platinum is ideal for those who want comprehensive coverage with minimal out-of-pocket expenses.
